

Earn UK MBA from Heriot-Watt University through the Logistics Institute of Central Asia (LICA) in Bishkek

Internationally Recognized Degree. Local Academic Support.

Why This MBA

- **Hybrid delivery:** Online learning with structured in-person academic support.
- **International academic standards** with regional business relevance.
- **Designed for professionals and university graduates:** Study without interrupting your career or early professional development.
- **English taught** with strong focus on leadership and strategy.
- **Flexible schedule** suitable for full-time employment.
- **Flexible installment plans** to spread costs over the academic year.
- The **degree awarded** is the same as that of on-campus students in the UK.

Program Overview

The MBA is a **UK degree** awarded by Heriot-Watt University (based in Edinburgh, Scotland, United Kingdom) and delivered with local academic support by the Logistics Institute of Central Asia (LICA) at its premises in Bishkek. Graduates progress into management, leadership and specialist roles across business, finance, logistics, technology, public sector and international organisations in Central Asia and beyond.

Delivery Model

- **Online learning** delivered and managed by Heriot-Watt University and complemented by **in-person tutorials** at LICA's Bishkek campus. LICA provides both **administrative and**

academic support to guide students toward academic success alongside the online delivery by Heriot-Watt University.

Program Structure

- The program consists of **nine courses** in total, including six mandatory and three elective courses, which may cover topics such as leadership, strategy, finance, marketing and logistics;

Duration: 2.5 years (5 semesters), with 2 courses per semester designed for flexible study alongside your career. The program combines 80% independent online study with 20% on-campus learning, including Saturday sessions held three times each semester.

Entry Requirements

- Proficiency in **English** is required, as all courses are delivered in English.
- Applicants must successfully complete the **LICA entrance test** (English and mathematics), as well as applicants are required to pass an **admissions interview**.
- **Professional work experience** is recommended.

Tuition Fee and Scholarships

Students enrolled through LICA may benefit from the Emerging Economy Scholarship (EES) offered by Heriot-Watt University, together with additional scholarship support provided by LICA and the Kühne Foundation for eligible candidates. Following the application of these scholarships, the total tuition fee payable for the entire **2.5-year MBA program** (5 semesters) is **GBP 6,032** (based on the scholarship structure effective from Spring 2026), and fees are paid on a semester-by-semester basis as the program progresses.
